

# SPACE MANAGEMENT

## Modular Drawer Cabinets

These cabinets maximize storage space, reduce retrieval time and provide safe product storage. Made of heavy duty welded steel, cabinets come in single or double units and can be moved fully loaded with a forklift. Bases have a standard two way entry with optional four way entry or pallet truck base. A variety of cabinet tops are available including sloping, metal surround, overhead shelf or even rubber matting. Pre-configured cabinets with drawers are available, and can be custom designed to fit your needs. Interior drawer layouts can be personalized with dividers, partitions and trays. A variety of colours and dimensions are available. Contact your local branch.
